

Statistical Abstract and Supplements

Printed Products

Statistical Abstract of the United States, 1995. Since 1878, the authoritative summary of statistics on the social, political, and economic organization of the United States. Includes a representative selection of statistics widely used by public officials, business analysts, educators, librarians, research workers, and students.

County and City Data Book, 1994. The latest in a series of publications which contains 220 data items for all counties and 194 data items for all cities with population of 25,000 or more. It also includes 1990 census population and income data for places of 2,500 or more inhabitants. Among its features are rankings for counties and cities and a complete set of State maps showing all counties, places of 25,000 or more, and metropolitan areas. Price: \$40 (clothbound). GPO stock number: 003-024-08753-7. NTIS stock number: PB94-140993.

State and Metropolitan Area Data Book, 1991. This volume, the fourth in a series, presents a vast array of demographic and economic data for the United States, census regions and divisions, and the 50 States and the District of Columbia; metropolitan areas (MA's); component counties of MA's; and central cities of MA's. Includes State and metropolitan area ranking tables. Price: \$26 (paperbound). GPO stock number: 003-024-07259-9. NTIS stock number: PB91-212639. Next update scheduled for 1996.

Historical Statistics of the United States, Colonial Times to 1970. A two-part compendium of more than 12,500 statistical time series, largely annual, on American social, economic, political, and geographic development, covering periods from 1610 to 1970. GPO price: \$68 (clothbound). GPO stock number: 003-024-00120-9.
